Bottle packaging: bottles, magnums, jeroboams

SOME WORDS ABOUT THIS WINE

A gentle and sweet encounter with woodland berries and spicy aromas, the red hue of Dame Jeanne red exalts the soft, fresh and delicate fragrances of our garrigue scrubland populated by green oaks. Created from the marriage of the three essential Pic Saint-Loup grape varieties – Syrah, Grenache and Mourvèdre – this wine is the perfect expression of what you would expect from an AOP Pic Saint-Loup. No special season to drink it, just a good moment to share with.

SUGESTIONS FOR A BETTER TASTING
